Senator Hoff Reviews Laws

As the Legislative Session nears an end, I would like to take this opportunity to report briefly on the progress of each of the local bills, pertaining only to Carroll County, introduced in both the House of Delegates and the Senate of Maryland.

H. B. 205 authorizing the City Council of Westminster to levy 2c for the benefit of the Davis Library. Passed both Houses.

H. B. 362 providing for the examination and licensing of elections in Carroll County. This bill following its introduction was referred to the House Judiciary Committee and this committee has not yet given its approval to the bill. It appears that at this late date this measure will probably fail to pass.

H. B. 457 eliminating the present licensing laws pertaining to dogs. Since the introduction of this bill it has been discovered that not only would the passage of this bill eliminate the fund now used to repay those who suffer loss due to damage by dogs but that it would also eliminate funds now used for the maintenance of the Humane Society Center which has rendered important service to Carroll County for a period of years. In all probability this problem will be studied by the Legislators to determine what other method of enforcement can be applied in Carroll County.

H. B. 669 raising the pensions to retired school teachers who receive less than \$100.00 per month. This bill has passed both Houses.

H. B. 682 increasing the corporate limits of the town of Hampstead. This bill has passed the Senate.

S. B. 146 giving the County Commissioners authority to levy not more than 3c for general health purposes. This bill has passed both Houses.

S. B. 154. Authorizing the City of Westminster to levy up to 10c for the support of the Westminster Fire Department. This bill has passed both Houses and has been signed by the Governor.

S. B. 188 providing for the licensing of foster homes after approval by the County Health Department, Children's Aid Society and Superintendent of Schools. Passed both Houses.

S. B. 200 provides that the Board of Education of Carroll County shall be composed of equal numbers of both major political parties. Passed both Houses.

S. B. 201. This bill provides for the disposition of fines in cases of violation of the Alcoholic Beverage Laws in the same manner as fines are handled in all other criminal cases. Passed both Houses.

S. B. 202. This bill gives the County Commissioners the authority to make full reports of their annual income and expenditures without requiring all disbursements or all income to be detailed. Passed by the Senate.

S. B. 366. This bill provides for a \$500,000 sewerage bond issue by Taneytown subject to referendum. Passed by the Senate.

S. B. 394. Changing the corporate name of the town of New Windsor and changing the date of town elections passed by Senate.

S. B. 417 provides for a referendum on question of Sunday movies in Franklin District. Passed by Senate.

S. B. 465 increasing salary of Registrar of Wills from \$4200 to \$4500. This salary is paid out of receipts of the office and is not paid by local levy. Passed by Senate.

S. B. 507 provides for referendum on question of bond issue for town of Union Bridge. Passed by Senate.

S. B. 515 establishes planning the zoning in Carroll County subject to referendum in 1954 General Election. Passed by Senate.

S. B. 527 increasing salaries of County from \$2200 to \$2800 per County Commissioners of Carroll year. Passed by Senate.

S. B. 528 increasing salary of State's Attorney of Carroll County from \$3800 to \$4250 per year. Passed by Senate.

One local bill not yet introduced will give to the town of Manchester the right to close streets as well as open, extend and maintain the streets within the town.

Another local bill not yet introduced will give to the town of Union Bridge the power to increase their tax levy from 50c to 65c on each \$100 assessment.

"Prize Egg—Venture Club".

5. When the hunt is over, the children are asked to leave by way of the main entrance nearest the bandstand where they will receive a favor from the Venture Club.

6. The Venture Club girls will wear blue armbands, and it is requested that children and parents cooperate with the Venturists and the Scouts so that the Egg Hunt will work smoothly. In case of rain or bad weather, the Egg Hunt will be held in the Armory.

NO. 8632 EQUIT
IN THE CIRCUIT COURT FOR CARROLL COUNTY IN EQUITY.

J. G. B. Coberly, Plaintiff,
vs.
Lula M. Coberly, Defendant.

ORDER OF PUBLICATION

The object of this suit is to obtain a divorce a vinculo matrimonii by the Plaintiff, J. G. B. Coberly, from the defendant, Lula M. Coberly, his wife.

The Bill states that the parties were married on the 20th day of June, 1942, at Parkersburg, West Virginia, by a minister of the Gospel and that they lived together until the 9th day of July, 1951; that although the conduct of the plaintiff towards his said wife has always been kind, affectionate and above reproach, nevertheless, the said defendant abandoned and deserted him on the said 9th day of July, 1951, and did declare her intention to live with him no longer, and such abandonment and desertion has continued uninterrupted for more than eighteen months prior to the filing of his Bill of Complaint and is deliberate and final and the separation of the parties is beyond any reasonable expectation of a reconciliation.

The Bill further states that no children have been born to the parties as a result of said marriage, and that the plaintiff is a resident of the State of Maryland but that the defendant is a non-resident and her last known address is 5129 Pennsylvania Avenue in the City of Philadelphia, Pennsylvania.

It is therefore this 11th day of March, 1953, ordered by the Circuit Court for Carroll County in Equity that the plaintiff, by causing a copy of this order to be inserted in some newspaper publication in the City of Westminster, Carroll County, Maryland, each of four successive weeks before the 15th day of April, 1953, give notice to the said absent defendant of the object and substance of this Bill, warning her to appear in this Court in person or by a solicitor, on or before the 29th day of April, next, to show cause, if any she has, why a decree ought not to be passed as prayed.

This Week's Editorials

THE BAD WITH THE GOOD

The complete text of the Act passed by the Maryland Legislature setting up a Planning and Zoning Commission for Carroll County appears on page 3 of this issue.

Designed for the purpose of promoting the general welfare of the county, this act sets up the necessary organization and procedures of control.

There are, however, several dangerous features to it and they should be corrected.

In the first place such a body should not be self-perpetuating. A method of replacement should be considered other than having members of the board select new members to replace those whose terms have expired.

Secondly, no person should serve on such a board who is in a position to benefit financially or otherwise by decisions made by the board.

Such a board must have power to be effective but power can be dangerous if not properly controlled.

We cannot afford to have any group set up with the possibilities of having a political football which can be eventually controlled by its own members.

Letters To The Editor

A Confirmation of Fact

Dear Mr. McCormick:

Relative to our conversation by phone yesterday, this is to confirm our position to open hearings and accept to county minutes to the people of Carroll County and the press in general.

We extend to the above named people an open invitation to visit us on the days we are in session and will at that time make available our minute books for inspection. We believe we should be present when the minutes are read that we may explain our action on matters and clarify any interpretation as to our actions on these matters.

We also promise to volunteer any information pertaining to county business we believe will be of news interest. This has been our policy in the past and we promise cooperation in the future.

Thanking you for past interest in county affairs,

Very truly yours,
Commissioners of Carroll County

THE BIBLE SPEAKS

Our Living Lord
Lectures for April 5, 1953

What does Easter mean? It is a question we may well ask ourselves each year. The visitor from Mars might have a hard time answering the question for himself. He would see Easter sales advertised in the department stores and he might think Easter was a name for a special kind of bargain. Or he would hear about an Easter parade, or he would look at one and he would conclude that Easter is a new name for showing off a time machine. Or on a college campus he would hear about the Easter vacation, and he might suppose that it is just a name for a holiday from work. Then he might see a flock of children hunting for Easter eggs, and he would suppose that Easter meant "gaily colored." As a matter of fact, even if he went to church, he might get strange ideas about what Easter means.

Springtime And Roses

To hear some people talk—yes, and even some sermons—one might fancy that Easter is a festival to remind us all of springtime. To be sure, the new life of nature reminds us in many ways. The days grow longer, the nights shorter; flowers begin to scatter over the hillsides, the grass grows greener every week.

In the far northern states there are heavy thaws, more snow melts than falls. In the far southern states warm weather has already come, the roses are in full bloom, visitors from the north are coming down to look at the famous gardens in Charleston and Mobile and other places.

Is Easter just a way of celebrating springtime in church? The birds, the roses, the Easter music—are they all alike the signs of spring? Is Easter a symbol of the resurrection of dead nature, is Easter a sign that nature never really dies, that warmth follows cold, that when winter comes, spring is not far behind?

No, this is not it. For if this were all, then when the last winter comes, when the whole earth grows cold—or perishes in collision with some flaming sun—then what becomes of spring? No, all springs will end some time, when the world ends. Easter celebrates something that will outlast all the springs of this world.

Life After Death

Listen again to the talk in church, to other sermons, closer, much closer to the Easter truth than all the talk of springtime and roses. You will hear much said about immortality, about the life beyond this life, about the "beautiful life of somewhere." Easter, it is said, is to remind us that we are immortal souls; that beyond this life is another one, that no soul ever dies.

Well, it does remind us of this. But suppose that were all? The mere belief in immortality is not by itself religious. Look: nearly everybody around you believes he will be living tomorrow. Does that make everybody religious? You know it doesn't.

Now suppose everybody believed he would be living, somewhere, somehow, a thousand years from now: would that make everybody religious? Of course not. Suppose it is true that no soul ever dies? That may well be a horrible thought. There may be (and most Christian churches believe) that there are persons long since gone from this world to hell, who cannot die but who wish very much that they could.

Immortality, Christians believe, is a fact, but believing in that fact alone, all by itself, is not necessarily religious and it may be no comfort at all. Easter must mean more than this!

Lord Of Life And Death

The real meaning of Easter cannot be expressed by any sentence that leaves Jesus Christ out. Easter celebrates this: He is risen, Christ is risen indeed. This means, of course, much more than that once upon a time there was a man in Palestine who came back to life after being dead some 36 hours.

What we Christians mean by it is that the same person we call Teacher and Master and Saviour and King is the Lord of life, of life itself.

"Unreality" Topic of Sunday Sermon

The crucifixion of Jesus, and in three days his resurrection, which gave a skeptical world an immediate proof of eternal life is a vital part of the Lesson-Sermon on "UNREALITY" in all Christian Science Churches next Sunday. The Golden Text will be "Thou art my lamp, O Lord: and the Lord will lighten my darkness" from 11 Samuel.

Easter Meditation

"He is not here, for he is risen" were the angel's words and no one ever carried more important messages. Mankind had possessed a flickering faith in life beyond this one, but he longed for more convincing proof upon which to rest his faith. The Resurrection of Christ is the keystone of our faith. No incident of history has been so widely followed by the first day of the week. This is the Lord's Day and the Lord and love have their way. Evil loses its power. It gives way. Love takes over. Love triumphs. Love has the last word.

begin at 4 to 5:45 and from 7 to 9:30. Four priests will hear Confessions.

Resolution

Whereas, J. Albert Mitten was a charter member of the Westminster Kiwanis Club at the time of its organization in 1932, was the first president of the Club and thereafter continuously and zealously served as its secretary until his death on February 15, 1953. In addition to his continuous holding of the office in the local Club, he was the 1952 Lieutenant Governor of the Ninth Division of Capital District. During all the years of his regular attendance "A" manifested a faithful adherence to the objects and objectives of Kiwanis and had until his death maintained an interested enthusiasm for the Club's progress and welfare. This was only the natural outlook of a citizen who held so many offices of trust, confidence and responsibility in the many religious and civic organizations of the County as well as offices of public trust under the State Government; and

Whereas, he at all times possessed and exhibited a friendly attitude and disposition toward his fellow men, an unusual willingness to devote his time and abilities to Kiwanis and its members, was a devoted member of his church and numerous fraternal, civic and religious organizations, all of which made him a man recognized as having a very keen sense of responsibility and devoted interest in the welfare of his community.

In the death of J. Albert Mitten, this Club, City and County have lost an interested and valuable citizen and in recognition of his many virtues, the Westminster Kiwanis Club desires to pay this tribute to his memory.

Therefore, be it resolved that, as an expression of sorrow and respect for our deceased friend and fellow member of our Club, this resolution be recorded among the minutes of this meeting, a copy of this resolution be delivered to the family and that it be published in the County press.

The Westminster Kiwanis Club, Inc.
By Lowell S. Emor, Vice-President.
John R. Byers, Secretary.

IN MEMORIAM

HOFF—In loving memory of our dear wife and mother, Ada C., who passed away four years ago, April 8, 1949.

Two dear, bright eyes, a tender smile,
A loving heart that knew no guile.
Deep trust in God that all was right,
Her joy to make some other bright.
If sick or suffering one she knew,
Some gentle act of love she'd do.
No thought of self, but of "the other".
We know He said: "Well done, dear Mother".
Loving Husband and Children.
