OLDSMOBILE

[illegible]

The first of these was the *Journal of the American Medical Association*, which was founded in 1901. It was the first of a number of new medical journals that were founded in the early 20th century. The *Journal of the American Medical Association* was founded by a group of physicians who were dissatisfied with the *Medical Record*, which was the leading medical journal at the time. The *Journal of the American Medical Association* was founded by a group of physicians who were dissatisfied with the *Medical Record*, which was the leading medical journal at the time.

LOOK AT YOUR HAT
everyone else does; then come in, and see out
the new Brown Shako.
